CHEESE GRADERS! MEMORANDUM NO. 7

To: All Cheese Graders

From: Rob R. Slocum, Senior Marketing Specialist, Dairy and Poultry Branch - AMA

Subject: Cheese Furchased by Federal Surplus Commodities Corporation Should not

be Marked with U. S. Grade

Announcement FSC-758, dated July 2, and covering the purchase of American cheddar cheese, states under paragraph VI that all cheese delivered to the Federal Surplus Commodities Corporation shall be marked with the grade of the cheese. Cheese Graders! Memorandum No. 5, covering purchase of cheese under this announcement, likewise states under paragraph VII that "All cheese delivered to F.S.C.C. shall be marked with the grade."

We are now advised by F.S.C.C. that neither the choese nor the cheese boxes should be marked with the U. S. grade of the cheese. All graders will, therefore, disregard the provisions of Announcement FSC-758 and Cheese Graders! Hemorandum No. 5 which specify that the U. S. grade of the cheese should be marked on the cheese or on the boxes. This procedure shall become effective immediately.
